It gives me great pleasure to write you feel good. It has been wonderful knowing you, through school + church, and what a wonderful summer, did a lot of fun. Even if your club was still a lot of fun. Even if your club was still a lot of fun. Even if your club was still

" . . . Ask not what your country can do for you, but what you can do for your country."

President Kennedy's Inaugural Address
January 20, 1961

"My urgent message to you is, 'Return to school.'

"We know that 5 million jobs will open up in this decade for skilled workers, and yet, at the present time, the number of youth being trained for these jobs is totally inadequate.

"In light of our national need for a better-prepared work force, it is tragic indeed to be reminded of the estimate that 7 1/2 million boys and girls will fail to complete high school during the decade of the 1960's . . . This situation is tragic, not only because it represents a great loss to our society in undeveloped talent and potential, but also because the outlook for these young people is black indeed.

"To you, the young people who have not completed your education--who may have dropped out of school--and to those who are considering doing so--go back to your school desks when your school term begins . . . Go back and become prepared so when your time comes to enter the labor force, you will be a more valuable asset to our Nation."

Excerpts from President Kennedy's Message to the Youth of the Nation, Labor Day, September 4, 1962.

INTRODUCTION

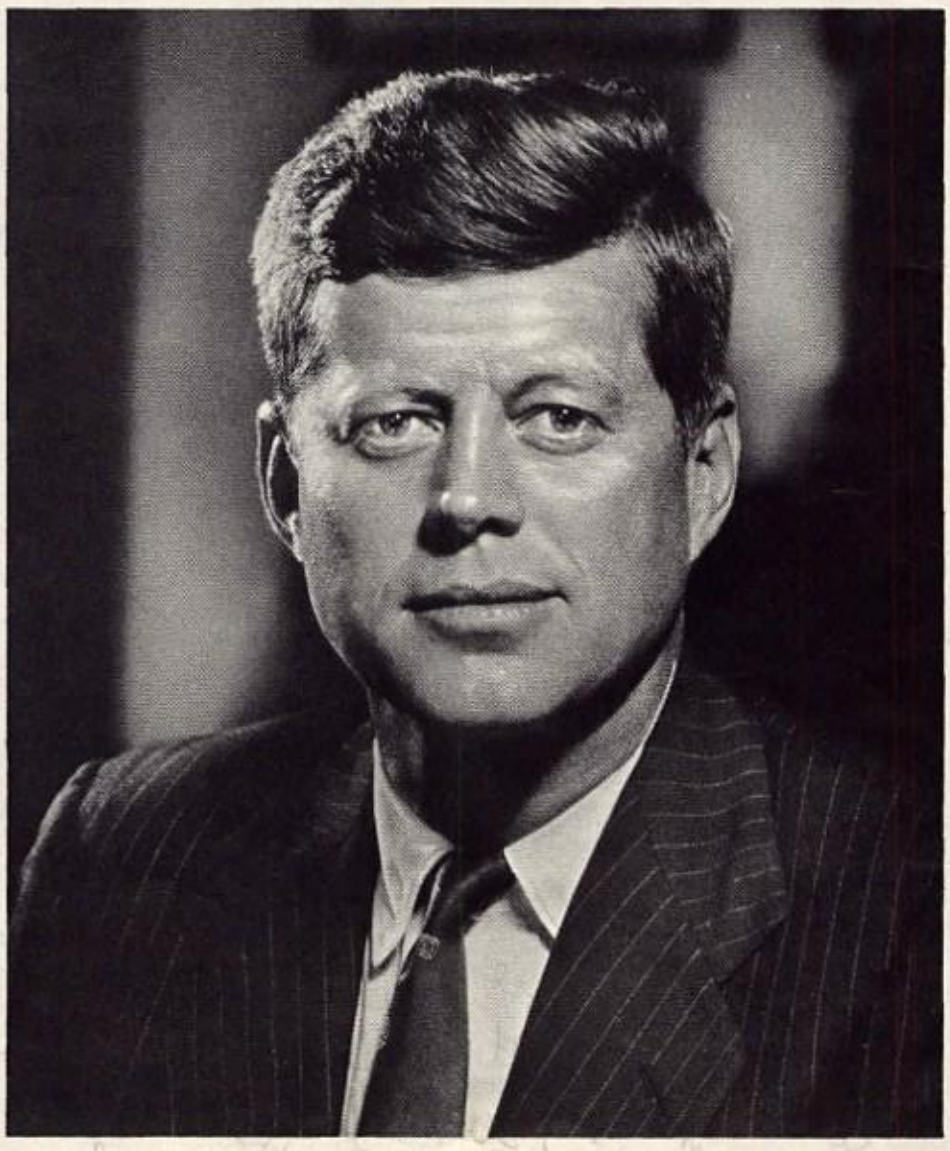

Photo by Courtesy of US Army

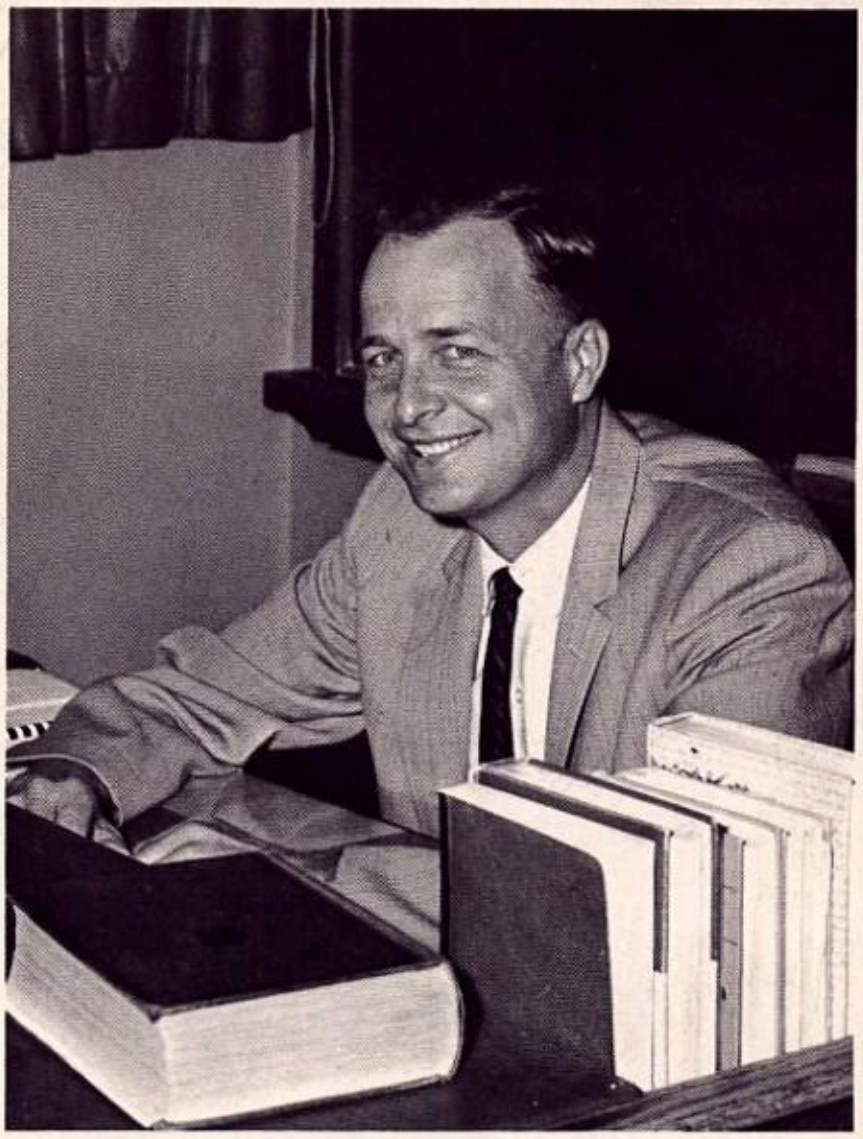
There is no greater feeling than pride in one's own country. Through our years in Mr. Johnston's social classes, we have come to know this pride. For this reason we have chosen to dedicate this annual to Mr. Johnston who has taught us to appreciate our education as it prepares us to become better citizens of our country. He has made our country and its leaders come alive for us, so we feel closer to them. President Kennedy, as he urges American youth to stay in school, stands as a symbol of the greatest democracy in the world. To these two men, President and teacher, we owe a debt of gratitude for leadership and guidance.



DEDICATION

The Junior-Senior Banquet sponsored by the Class of '63 was held on May 12, 1962, in the Elementary School Gym. Guests were ushered in at 6:00 p.m. to the tune of "Moonlight Serenade," our theme song. After grace, everyone sat down to a meal of swiss steak, potatoes, salad, and a cherry dessert. The Junior-Senior Prom was held on the evening of May 12, 1962. Our theme was "Moonlight Serenade," featuring a mural of a plantation on our south gym wall. The gym itself was decorated with streamers of purple, silver, and blue. Around the sides picket fences covered with flowers, a rose trellis at our entrance, and our rose-covered wishing well helped increase our festive mood. Music was provided by Ron Nelson and band of Sauk Centre. Pat Lorine, our chairman, opened the dance.

The highlights of the 1962 pigskin season were in the Henning, Menahga, and Sebeka games. The mighty Panthers were in command of their old rivals, the Henning Hornets, throughout the entire game. It ended in a 14 to 7 victory for the Panthers on Henning's Homecoming. The Panthers were able to tie Menahga, the leading conference team, in a 19 to 19 contest. In the final game of the season, the Panthers overcame a 19 point deficit to defeat Sebeka by a score of 40 to 19. As a result of his playing in this game, Doug Tuel was named to WCCO's Team of the Week. Two senior boys, Dennis Yell and Ted Lundblad, made the All Conference Team for 1962. The Panthers ended their season with a record of two wins, one tie, and five losses.

BASKETBALL 1963

The 1962-63 basketball season began with seven straight victories, for the Panther cagers. Included with these victories is the Panthers' tip-top performance in the Holiday Tourney held this year in Clarissa to celebrate the opening of their new gym. The two-day affair is to become an annual event. On the first evening, the Panthers defeated the Clarissa team by a score of 70 to 27. The second night the Panther squad defeated Browerville in a close game of 34-33. The remainder of the season our team was hampered by the absence of Carl Potratz, our high scoring forward, who was out with an injured knee. Our Sub-District Tournament for 1963 was held Thursday and Friday, February 28 and March 1, in Wadena. On Thursday Henning defeated Deer Creek (60-44) and Parkers defeated Bertha (51-34). In the championship game on Friday, the Panthers bowed to the Hornets, 64 to 44. Carl Potratz, Paul Lorine, and Doug Tuel were named to the All-Star Team.
